SAEPU TO MEET GAUTENG MEC DR GWEN RAMOKGOPA

The South African Emergency Personnel's Union will be meeting with Gauteng Health MEC Dr Gwen Ramokgopa on the 06th June 2018 in Gauteng. The purpose of the meeting is to discuss amongst others the attacks on paramedics, excess hours and PDMS.

We have realised that government is failing to protect paramedics from the attacks and when we check stats Gauteng province is amongst others that experience many attacks. We have reported so many cases and until today there's no justice that is being served. If we don't see any effort from our government we will have no choice but to implement our own safety measures that will include stopping operations and not attend house calls during the night.
